Thank you for your letter of 26 October relative to employment with this agency.

I have personally examined your file and looked into the available vacancy situation with a view to determining whether there might be a suitable opening for you. I find that those positions for which your background and experience might fit you are currently filled, and it is not possible to anticipate to any reasonable degree at this time when there might be a suitable vacancy.

I appreciate the interest in this agency evidenced by your letter and regret that I cannot make a more favorable reply.

Yours very truly,

R. H. HILLENKOTTER
Rear Admiral, USN
Director of Central Intelligence
